### A NOTE ABOUT MEMBERSHIP

Our current practice is to send membership renewal requests to the entire member list in the springtime. In late summer a second request is mailed to those who did not respond to the first request. To each person who responds with a membership donation, the Association President sends a letter of acknowledgment that "no goods or services" have been received—documentation for the IRS for tax deductions. Our goal is an annual donation from every family, either for membership, for the end-of-year Annual Appeal, or for any other purpose.

### DOUBLE YOUR MONEY

If your employer has a matching gift program, you may be able to double or triple your contribution by designating the Brinton Association of America, Inc. as recipient. If you or your spouse is an employee, retiree, or board member of a company that has a matching gifts program, request a form from the human resources or payroll department and send us a completed copy. We'll do the rest. If you're not sure whether your company matches gifts, tell us the name and we'll find out for you.

The Brinton Association of America, Inc. is a 501(c)(3) non-profit organization. Pursuant to the requirement of the Omnibus Budget Reconciliation Act of 1993, the Brinton Association of America, Inc. hereby confirms that we did not provide any goods or services in consideration of your gift.
